THE GATEWAY IMPACT CAMPAIGN

$4MM GOAL TO MAKE IMPACT

THE GATEWAY IMPACT CAMPAIGN

Our multi-year plan to scale-up Gateway's impact on students, teachers and our community:

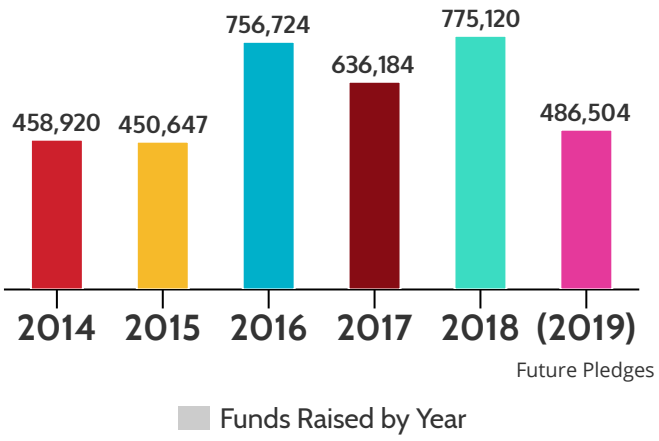
The Impact Lab, a state-of-the-art STEAM Center and hands-on programs to close the opportunity gap for public school students

The Teacher Compensation Project to recruit and retain our teachers at a livable wage in San Francisco

Gateway Impact to share our researched-based best practices, collaboration, and professional development with Bay Area educators

$3,573,099 RAISED TO DATE

As of June 2018



OUR IMPACT TO DATE

THE IMPACT LAB

Opened Fall 2017

The Impact Lab opened for full student and teacher use, creating new space for team projects and learning.

New Partnerships

Gateway established partnerships with Mission Bit, Girls Who Code, and Apple's sponsorship of the Robotics team to create new onsite opportunities for our students.

TEACHER COMPENSATION

A Career Stages Model

A new career pathway model was drafted to provide ongoing professional development and leadership opportunities to Gateway's educators.

Salaries increased 17%

In the 2018-2019 school year, returning teachers will have received a total salary increase of 17% since 2016.

GATEWAY IMPACT

Conversations for Impact

This year, Gateway hosted a free community speaker series highlighting social justice, education and student success.

Website Development

Gateway Impact will have an online component that allows educators to connect and collaborate to support students and grow their practice.

DEEPENING IMPACT IN 2019 and BEYOND

For Our Future Engineers

THE IMPACT LAB

Growing the Maker Lab at Gateway
