A live virtual fundraiser in support of Gateway Public Schools' students and teachers

www.gatewayps.org/paultough

WITH AUTHOR

Paul Tough

Every year, the Luncheon raises critical support for Gateway – the (virtual) show must go on

This year's **Matters of the Mind** will be an online gathering of the incredible community that makes our mission possible.

We are thrilled to welcome **Paul Tough**, author of bestsellers *The Years That Matter Most: How College Makes or Breaks Us* and *How Children Succeed*. In talks drawn from his six years of research and travel, Tough challenges the status quo, revealing how higher education and social mobility really work, and what we can do to make it more equitable for all.

2020 MATTERS OF THE MIND LUNCHEON with PAUL TOUGH on OCTOBER 14, 2020

The Board of Trustees and staff of Gateway Public Schools invite you to sponsor this year's Matters of the Mind event on Wednesday, October 14, 2020.

We are living in unprecedented times with the news and our expectations of future changing daily. Despite the uncertainty of what the next year may hold, Gateway's students must continue to access high quality instruction and services. The Luncheon raises nearly 20% of our annual fundraising budget, and we knew our community would not be able to safely gather in our gym by the fall.

With this mind, we decided to turn our annual event into a live virtual celebration of our schools to raise the critical funds necessary to do right by our kids.

What you can expect from this year's virtual event:

- A live program with virtual seats reserved for you
- Hear from Gateway students and teachers, and keynote speaker, Paul Tough
- Engage with fellow attendees and speakers during the program
- Be part of raising \$350,000 for Gateway's mission

Your past support of the Luncheon and Gateway Public Schools has sustained our mission and commitment to giving every student a high quality public education and creating a college bound culture that changes the trajectories of their lives.

Please join us as a sponsor this year and join our work to level the playing field for Gateway students as they chart their pathways to college and beyond.

We are so grateful for our 2020 Matters of the Mind sponsors

As of September 9, 2020
