

# THE GATEWAY IMPACT CAMPAIGN

**\$4MM GOAL TO MAKE IMPACT**

## THE GATEWAY IMPACT CAMPAIGN

Our multi-year plan to scale-up Gateway's impact on students, teachers and our community:

**The Impact Lab**, a state-of-the-art STEAM Center and hands-on programs to close the opportunity gap for public school students

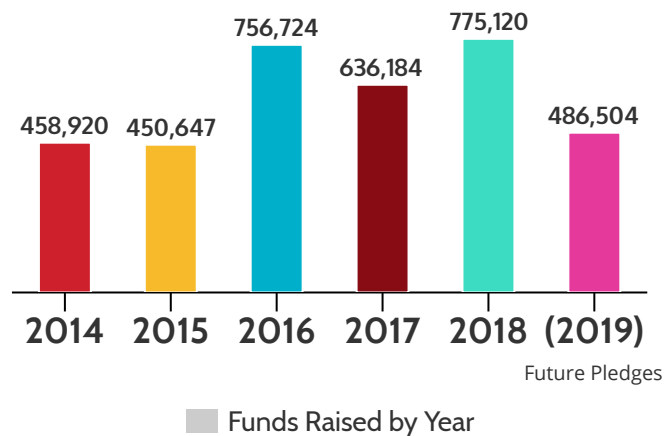

**The Teacher Compensation Project** to recruit and retain our teachers at a livable wage in San Francisco

**Gateway Impact** to share our researched-based best practices, collaboration, and professional development for Bay Area educators

**\$3,573,099 RAISED TO DATE**

As of June 2018

## OUR IMPACT TO DATE

### THE IMPACT LAB

#### Opened Fall 2017

The Impact Lab opened for full student and teacher use, creating new space for team projects and learning.

#### New Partnerships

Gateway established partnerships with Mission Bit, Girls Who Code, and Apple's sponsorship of the Robotics team to create new onsite opportunities for our students.

### TEACHER COMPENSATION

#### A Career Stages Model

A new career pathway model was drafted to provide ongoing professional development and leadership opportunities to Gateway's educators.

#### Salaries increased 17%

In the 2018-2019 school year, returning teachers will have received a total salary increase of 17% since 2016.

### GATEWAY IMPACT

#### Conversations for Impact

This year, Gateway hosted a free community speaker series highlighting social justice, education and student success.

#### Website Development

Gateway Impact will have an online component that allows educators to connect and collaborate to support students and grow their practice.

## DEEPENING IMPACT IN 2019 and BEYOND

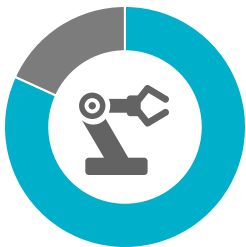

### For Our Future Engineers

#### THE IMPACT LAB

Growing the Maker Lab at Gateway

The Lab will offer high-quality, resource-rich opportunities for real world learning, including a Maker Lab and Tinkering electives.

### A Livable Wage for Teachers

#### TEACHER SALARIES

Increasing salaries 25-30% through 2021

Gateway will implement the new Career Stages Model, and by 2021, all teachers will be paid at least 25% over a four year period.

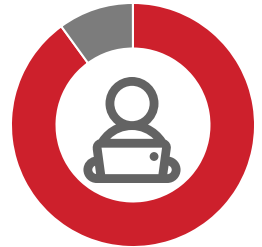

### Sharing a Model of Agency

#### GATEWAY IMPACT

Launching to Bay Area educators in 2019

Gateway Impact will provide **free** curriculum and teaching resources, and richer PD experiences and deeper learning for **all** educators.

## MAKING YOUR IMPACT AT GATEWAY

### JOIN US IN MAKING AN IMPACT ON OUR STUDENTS, EDUCATORS AND THE SAN FRANCISCO COMMUNITY

The Impact Lab, Teacher Salary Project and Gateway Impact program need your support to grow and launch next year and into the future. You can be part of making an impact with a contribution to the campaign and moving us closer to the \$4,000,000 goal in 2019.

Visit us at [www.gatewayps.org](http://www.gatewayps.org) to learn more about our strategic initiatives, the campaign and how you can make a contribution to support the sustainability and reality of our Gateway goals.
